IEEE Signal Processing Society  
**2002 International Conference  
on Image Processing**  
22-25 September 2002  
Riverside Convention Center  
Rochester, New York

## ICIP 2002 CALL FOR PAPERS

The International Conference on Image Processing (ICIP), sponsored by the IEEE Signal Processing Society, is the premier forum for the presentation of technological advances and research results in the fields of theoretical, experimental, and applied image and video processing. ICIP-2002, the ninth in the series that has been held annually since 1994, will bring together leading engineers and scientists in image processing from around the world. Research frontiers in fields ranging from traditional image processing applications to evolving multimedia and video technologies are regularly advanced by results first reported in ICIP technical sessions. Topics of interest for submissions include, but are not limited to:

- 1. Image/Video Coding and Transmission:** still image and video coding, model-based and synthetic-natural hybrid coding, source/channel coding, stereoscopic and 3-D coding, coding standards, image and video over networks, error resilience, video streaming.
- 2. Image/Video Processing and Analysis:** linear and nonlinear filtering and enhancement, restoration, multiframe image restoration, segmentation, wavelets and multiresolution processing, morphological processing, color and multispectral processing, stereoscopic and 3-D processing, modeling, analysis, interpolation and spatial transformations, motion detection and estimation, image sequence processing, noise modeling, architectures and software, neural, adaptive, and fuzzy processing, computer vision.
- 3. Image Formation:** acoustic, radar, and tomographic imaging, nuclear, X-ray, and magnetic resonance imaging, geophysical and seismic imaging, radio astronomy and speckle imaging, optical imaging, and synthetic-natural hybrid image systems.
- 4. Image Scanning, Printing, Display and Color:** scanning and sampling, quantization and halftoning, color reproduction, image representation and rendering, display and printing systems, image quality assessment.
- 5. Image/Video Storage, Retrieval, and Multimedia:** image and video databases, image search and sorting, video indexing and editing, integration of images and video with other media, content-based multimedia, multimedia applications, authentication and watermarking.
- 6. Applications:** application of image processing technology to any field, including biomedical sciences, astronomy, geosciences, environment, humanities, and document processing.

#### PAPER SUBMISSION

Prospective authors are invited to submit extended summaries of not more than four (4) pages including results, figures and references. Papers will be accepted only by electronic submission through the conference web site. Prospective authors without web access should contact the forthcoming conference manager well before the submission deadline.

**Submission of extended summary (to be received by): January 10, 2002**

**Notification of acceptance: April 10, 2002**

**Submission of camera-ready papers: May 10, 2002**

#### PROPOSALS FOR TUTORIALS AND SPECIAL SESSIONS

Tutorials will be held on Sunday, September 22, 2002. Proposals for tutorials must include a title and outline of the tutorial, contact information for the presenter, and a short description of the material to be covered. Proposals for tutorials should be submitted to **Dr. Majid Rabbani** (majid.rabbani@kodak.com) before **December 10, 2001**.

ICIP-2002 will include a number of special sessions. Proposals for special sessions must include a title, contact information for the session chair(s), and a list of authors who have agreed to present papers in the session. Proposals for special sessions should be submitted to **Prof. Raghuveer Rao** (mrreee@rit.edu) before **December 10, 2001**.

**EXHIBITOR'S INVITATION**

We cordially invite you to be a part of the International Conference on Image Processing (ICIP) that will be held at the Rochester Riverside Convention Center in the heart of Rochester, New York on September 22-25, 2002. The ICIP conference is one of the major forums for the dissemination of state-of-the-art imaging and video technologies. You will meet with many of your colleagues and experts in the field, who influence and drive this industry. We expect to attract over 1200 professionals to the conference. This would be a good opportunity to present your products to a focused group of professionals as well as to attract them to work with you.

The exhibits are strategically located adjacent to other conference activities to give you optimal exposure to the attendees. In addition to listing your company name and booth location in the Final Program, you will be invited to meet the conference attendees at the opening reception on September 22, 2002. You will also be given 20 invitations/exhibit passes to give to your prospective customers.

You may also elect to become an official ICIP 2002 supporter for as little as \$3,000. In addition to the acknowledgements in the conference programs, our web page and on a sign near the entrance of the exhibit hall, you will also be allocated a booth space in the supporter area of the exhibit hall. You can use this space to provide information about your company, your products and to post job openings to recruit people with the expertise you desire to add to your company.

**Exhibit Hours:**

Mon., September 23	9:00 - 6:00	Move In: Sun., September 22	3:00 - 9:00
Tues., September 24	9:00 - 6:00	Move Out: Wed., September 25	6:00 - 10:00
Wed., September 25	9:00 - 6:00		

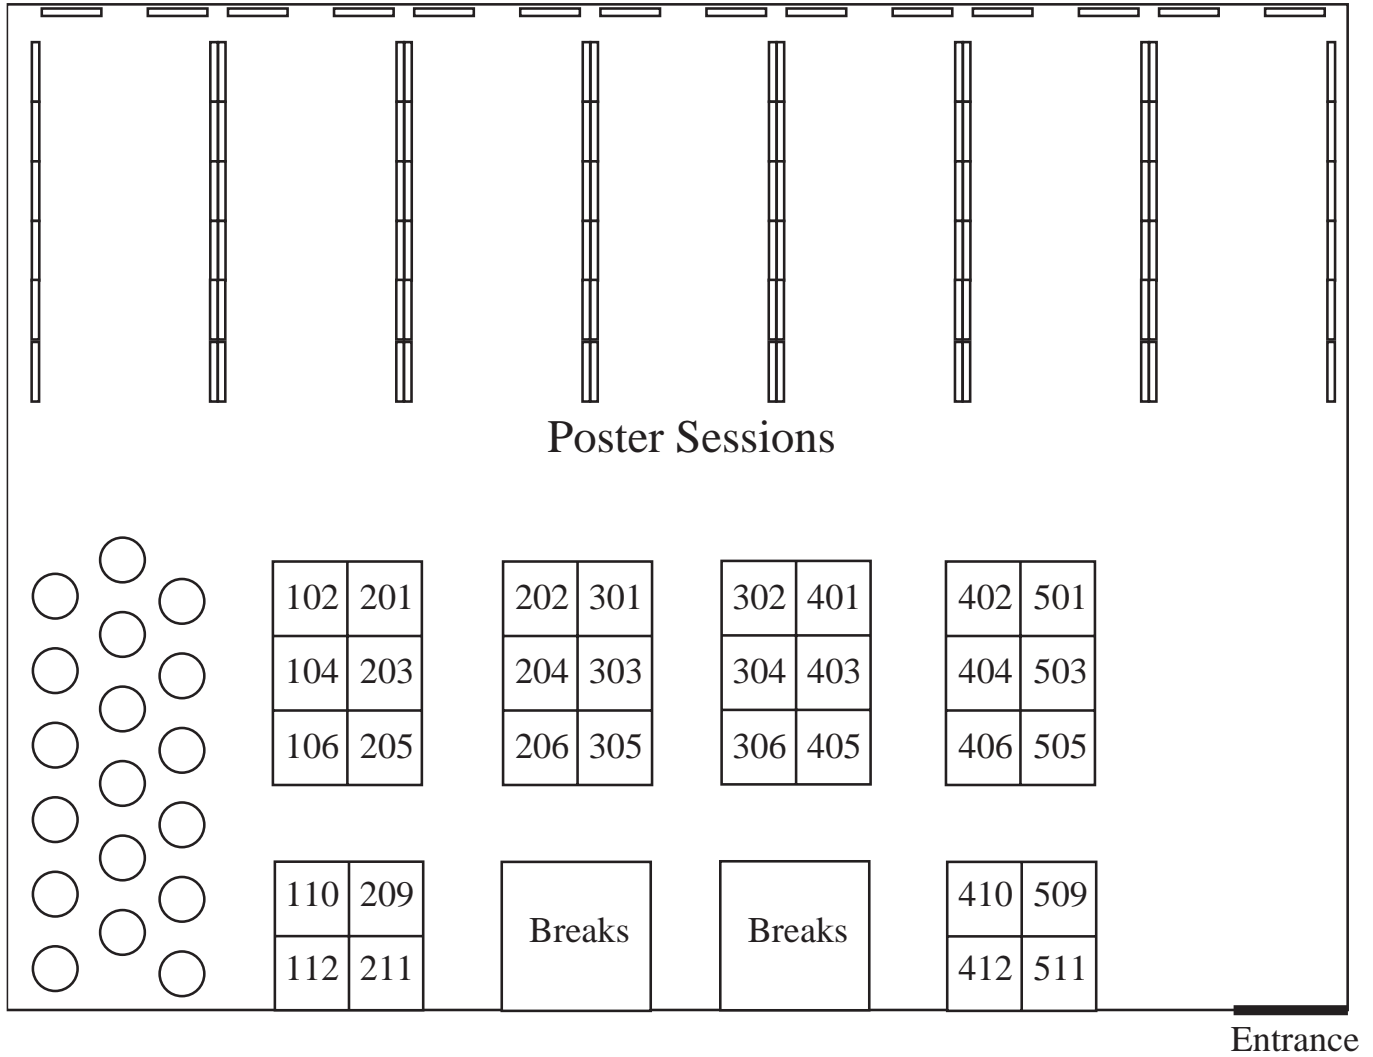

Book your booths early to be eligible for the early registration discounts. Booth selection is priority based (see preliminary floor plan attached). Send your application and inquiries to the attention of Christopher Garza at:

## EXHIBITOR BASIC TERMS & CONDITIONS

1. Display space will be assigned by the Conference in accordance with the conditions outlined in the DISPLAY SPACE ASSIGNMENT which forms part of this agreement. In the event of a duplicate application for the same space, the assignment priorities stated in the EXHIBIT RULES shall be used.
2. The Exhibitor shall remit with this agreement 100% of the total booth rental, as determined elsewhere in this agreement.
3. In the event of cancellation of this agreement by the Exhibitor prior to the date of the conference, the Conference will assess a cancellation charge according to the following schedule:

Cancellation after July 31, 2002	100% of booth rental
Cancellation before July 31, 2002	50% of booth rental

The Conference reserves the right to reassign space, withstanding the cancellation fee.

4. In the event the Conference does not accept this agreement, the Exhibitor will be promptly notified, and the fees returned.
5. The Exhibitor agrees to accept from the Conference, billing for any charges rendered during the conference in conjunction with services performed or administered by the Conference and requested by the Exhibitor. These charges may include, but are not limited to, surcharges for materials or services requested by the Exhibitor through the Conference. All such charges are due and payable in full within thirty (30) days of receipt of an invoice from the Conference.
6. The Exhibitor agrees that the Conference or its sponsor(s) shall not be liable for any damages, whether to person or property, for any reason whatsoever by reason of use, occupation, or enjoyment of the space by the Exhibitor or any person therein with the consent of the Exhibitor, and that the Exhibitor shall indemnify and keep harmless the Conference and its sponsor(s) from all liability on account of such damage or injury, regardless of cause, by the Exhibitor, its representatives, agents, or contractors.
7. In the event the site of the conference shall, in the sole discretion of the Conference, be unfit for occupancy or substantially interfered with by reason of any cause(s) not within the control of the Conference, this agreement may be terminated by the Conference. "Cause" or "causes" may include, but shall not be limited to: fire, flood, epidemic, earthquake, explosion, accident, blockage, embargo, weather, governmental restraint or orders of restraint from local or national civil or military authorities, act of public enemy, riot or civil disturbance, inability to secure appropriate labor, impairment of transportation or facilities, or inability to obtain, for whatever reason, necessary supplies, equipment, or clearances, or by rule of federal or local law, or any circumstances deemed as act of God.

Should the Conference terminate this agreement pursuant to the provisions of this section, the Exhibitor waives any and all claims for damage arising therefrom. The Exhibitor further agrees that the Conference liability is limited to a refund of monies paid prior to the termination. Should the conference be underway, the Exhibitor shall expect the Conference to adjust the refund to reflect a pro rata adjustment based on the number of hours the conference shall have been in operation prior to the termination. This provision shall not relieve the Exhibitor of any liability arising from the provisions of Section 6 above, and all monies due to the Conference in regard shall be paid notwithstanding.

## EXHIBIT RULES

These rules and regulations are supplemental to the EXHIBITOR BASIC TERMS AND AGREEMENTS, and they have been established for the protection of everyone. (The word "management" as used herein shall mean officers, committee members, or employees acting with authority from ICIP 2002).

### 1. BOOTH IDENTIFICATION

Absolutely NO company identification may be placed outside the area of the booth. No identification may be placed on posts or pillars adjacent to booths occupied by exhibitors, or on carpeted areas of the aisles beyond the 10' x 10' standard booth limits.

### 2. DISTRIBUTION OF SOUVENIRS AND SAMPLES

To achieve greater exposure and attention exhibitors may donate items to be given away in a daily door prize drawing if one is established by the conference management. Souvenirs or samples which have no resale or negotiable value may also be given away. Any distribution must be conducted within the exhibitor's designated booth space. In all cases, exhibitors planning giveaways of any nature should make arrangement well in advance with the show management, which reserves the right to prohibit the distribution of anything which, in its opinion, is not in keeping with the character of the conference.

### 3. DISPLAY REQUIREMENTS AND RESTRICTIONS

All displays or exhibited materials must be fireproof to conform to local fire regulations. Displays must be self-supporting and nails or screw are not permitted in building floors or walls. Displays must be wholly confined within exhibitor's booth and must not obstruct the clear view of nearby exits or other exhibits.

**ALL WIRING ON BOOTHS OR DISPLAY FIXTURES MUST CONFORM TO LOCAL ELECTRICAL AND LOCAL FIRE DEPARTMENT REGULATIONS.**

The side of any display cabinet or structure facing a side aisle, or adjacent exhibitor's booth, must be finished or suitably decorated at the expense of the exhibitor erecting or installing such display.

No exhibit may exceed eight feet high and that only within the area extending three feet from the back wall. Maximum height of the displays in the balance of the area is four feet, except that products to stand on the floor may extend higher than this limit, but must be positioned as close to the back wall as possible, to avoid blocking the view of adjoining exhibitors. **NOTE PARTICULARLY THAT NO PART OF A SIGN OR SOLID DISPLAY MAY EXTEND HIGHER THAN EIGHT FEET ABOVE THE FLOOR.**

**NOTE: ANY DISPLAYS NOT CONFORMING TO THE EXHIBIT SPECIFICATIONS OUTLINED IN THESE RULES MUST BE APPROVED BY THE CONFERENCE MANAGEMENT IN WRITING PRIOR TO THE MOVE-IN DATE.**

### 4. BOOTH PERSONNEL & ACTIVITIES

With the exception of convenience help, such as secretaries or professional product demonstrators, all booth personnel must be REGULAR EMPLOYEES of the company, or its representatives, who are fully capable of explaining the technical aspects of products or processes on display on an appropriate level at the conference.

No exhibitor may advertise or promote any outside activity, such as an open house or separate exhibits wherever located, occurring during the hours ICIP 2002 exhibits are open, or which detracts from the exhibit or convention operations.

Only registered exhibitors may publicly advertise hospitality rooms and only on those bulletin boards provided in the exhibit area.

### 5. LIABILITY AND THEFT

Show and hotel management will not be responsible nor liable for injury to the person or property, nor loss of property of exhibitors, their guests, invitees, employees, or agents.

Furthermore, the exhibitor agrees to defend or hold harmless the conference, its directors, employees, and agents from any liability of personal injury and loss or damage to property. EXHIBITORS SHOULD INSURE AGAINST SUCH CONTINGENCIES. Damage to inadequately packed property is exhibitor's own responsibility. If exhibit fails to arrive, exhibitor is nevertheless responsible for the booth rental.

Exhibitors should be on hand to supervise during set-up and dismantling of products, projection equipment and other items of high value. At least one person should remain with the exhibit until visitors have left the premises at the closing hour each day.

At move-out, specific arrangement should be made to package or place under lock any items of extremely high value and especially items of general interest such as small instruments, walkie-talkies, high fidelity equipment, projectors, etc.

### 6. SUB-LETTING EXHIBIT SPACE

No exhibitor may assign, sublet or apportion any of the space contracted for by him/her or their company.

### 7. MATERIALS HANDLING

The handling of exhibitor's material into and out of and within the exhibit buildings shall be at exhibitor's expense. Exhibitor's empty crates, boxes and cartons will be removed from the show area before the opening.

8. A security guard, supplied by the conference, will prevent entry to exhibit areas by anyone not authorized by ICIP 2002 management, or not wearing proper badge for admission to such areas. **A WATCHMAN SERVICE DOES NOT GUARANTEE EXHIBITORS AGAINST LOSS: NEITHER DOES IT IMPLY AN ASSUMPTION OF LIABILITY FOR EXHIBITOR'S PROPERTY BY THE CONFERENCE.**

Any equipment to be removed from the exhibit area during the conference must be authorized by the Exhibit Manager in conjunction with the specific exhibitor.

### 9. INTERPRETATION OF RULES

Conference management shall have final authority as to the interpretation of these rules and their applications and shall have the authority to establish penalties in the event of violations.

### 10. AMENDMENTS TO RULES AND REGULATIONS

Conference management reserves the right to amend these rules and regulations or to make additions thereto.

### 11. BOOTH ASSIGNMENT PRIORITY

In the event of duplicate application for the same space, priorities will be based on the application postmark date.
